

What's Happening in Resources?

Welcome to the very first Resources Room Newsletter

Let me introduce myself to those of you that I have not had the privilege to meet already. My name is Stella Humphrey. I am the newest member of the Cornerstone Team and it is my job to manage the Resources Room and keep you all up to date with what is happening and any new additions to our catalogue. I look forward to working with you all.

Please come and visit the Resources Room or why not check out our web page

Messy Church... A training event lead by the BRF's Jane Leadbetter, who runs L19 Messy Church in Liverpool, took place at St. Andrew's in early July.

Everyone enjoyed the day, finger knitting, modelling clay, butter making and being creative with beads. Jane shared with us what it was like to run a very busy city Messy Church.

- The day was fun, informative and it gave everyone new ideas to take back to their Church

Resources go to Embsay School 'Inspiring'
