Christian Books and Crafts at Cornerstone, Skipton

Cornerstone provides a wide range of Christian books and resources to the local churches, schools and community. It is a registered charity run by a Board of Trustees who oversee the vision and direction of the business. It has been trading in Skipton for over 21 years

Our old Yorkshire stone shop can be found just off the bustling Skipton High Street with its flourishing market. It holds four main book rooms over two floors and hosts a cosy coffee shop. Customers travel considerable distances to enjoy a few hours of browsing along with a light lunch or coffee and cake.

Cornerstone is more than a shop. It's a community of people who love books. Our staffs are trained to help you find that right book or resource, and maybe the customer looking alongside you will help as well. Allow plenty of time when you visit us ...you'll need it.

What is the Cornerstone Resources Room?

Cornerstone wants to be a resource for the mission and ministry of local churches, schools and Christian organisations, and that means more than just books. You will always be able to buy good quality Christian books here (and we hope you will!) but, we now provide a unique selection of good quality resources available **FOR LOAN!**

- Why buy when you can borrow?
- Why spend hours creating a resource when you can use someone else's
- Why re-invent the wheel when it has already been done?
- Why repeat the old when you can be inspired by new, creative resources?

Who can borrow the resources?

Individuals, church groups, churches, schools or community groups can sign up to borrow. There is an annual subscription fee or one-off three month trial subscription. As a subscriber you will become part of a network of people eager to discover new and creative ways of exploring and sharing the Christian faith in a wide range of contexts. You will receive regular e-newsletters and special rates when attending resources events. Prompt return is essential, but anyone from your group or church can collect or return the items.

It could form the basis of the four Sundays of Advent or be incorporated into a service or school assembly. The pack contains a set of 21 coloured symbols ready to hang on 'a tree'. A larger A3 set is also available for use as a visual aid in a larger group. A folder of leader's notes offers suggestions and additional resources to help leaders adapt this material.

Travelling Crib sets suitable for use with families, in the classroom or community during Advent (x2)

The travelling crib is a simple and creative way of celebrating Advent. It is a way of taking the story of the coming of Jesus into homes, schools, groups or businesses in the community. A crib box, Advent candle and storybook travels from home to home, classroom to classroom or business to business during the days of Advent. The start and the end of the journey may be marked in a special gathering. Each 'host' may record in a special journal their experience of setting up the crib and in so doing create a meaningful account of the crib's journey. The box provides a nativity set and a full pack of notes outlining the project with guidelines for planning. Make sure you start your planning early. Once the project begins, it runs itself but needs careful preparation.

Loan price £10

Jesus is Born story visual aids (x3)

Song Rolls

Song rolls have to be experienced to be believed. Essentially they are large rolls of paper (*similar size to wallpaper, but much better quality*) with wonderful illustrations of well-known songs, hymns and carols. They come with a CD recording of the song and can be used in services, assemblies or community gatherings. As the pictures are literally 'unrolled', they can quieten the largest congregations. Experience shows that simply listening and looking at the song rolls, without singing, is enough and can have a powerful effect. Song rolls should be rehearsed several times before using in a service and require two people; one to hold and one to manage the folding paper at the bottom. They work brilliantly from a high pulpit! Advance book to avoid disappointment and be prepared to return very quickly as they will be great demand.

Christmas songs available include:

- 2 x Little Donkey
- 2 x Mary's Boy Child
- 1 x Silent Night

Loan Price £5.00

Resources for Lent & Easter

The Last Supper Scene (x2)

This is a moving scene of The Last Supper created from 9 inch knitted figures of the twelve disciples, Jesus, wine filled chalices, platters and broken bread. They are accompanied by two long tables to allow the supper scene to be set as a striking visual aid to this significant event during Holy Week. The box also includes a collection of Easter storybooks that include the retelling of this story. It is a wonderful resource for Holy Week, especially Maundy Thursday, or simply for use as a teaching aid to the background of Holy Communion. This will be enjoyed by all ages.

Loan price £10

HOLY WEEK EGGS

This is a simple but very effective means of teaching and telling the events of Holy Week. It can be used in a number of different ways

As a visual teaching aid for an all-age service

As a visual teaching aid for school assemblies

As a basis for Sunday group teaching throughout Lent

Part of a Holy Week activity day or club

The activity can be as simple or advanced as you want to make it according to the age and stage of development of the children/adults you are working with. The 6 eggs (or more if you wish) each represent one of the stories of Holy Week. They contain a symbol of that story and a bible verse directing the children to the account of the story. For example:
Egg 1 Contains a palm leaf and a donkey - Jesus rides into Jerusalem
Egg 3 Contains a chalice – Last Supper (Add your own piece of Bread)
Egg 4 Contains 30 pieces of silver – Judas betrayal
Egg 5 Contains a picture of praying hands – in the garden of Gethsemane
Egg 7 Contains a small cross – crucifixion
Egg 6/12 Empty - representing the empty tomb

Teachers and group leaders may use any number of the eggs according to the number of stories you wish to tell. Obviously some of the stories are more suitable for younger children than others.

Not only is the project a great way to tell The Easter Story, it becomes a tool for re-telling that story to families, friends and neighbours. The children will love it!

A set of 6 or 12 eggs is available for loan from Cornerstone Resources

Loan Price £2.00 set of 6 - £3.00 set of 12

This resource is suitable for adults and children alike and an excellent aid to Lent and/or Holy Week but can be used at any time of the year. Crosses will be added to the box into the future. If you are travelling abroad and see any unusual crosses from that country, please bring one home and add it to the collection. We will be happy to reimburse you.
